WALL PANEL PATTERN 2266

COPR. 1938, NEEDLECRAFT SERVICE, INC.

Color Chart

This panel is to be embroidered in cross stitch and plain embroidery. Use fine smooth surfaced linen or muslin for the panel and use six strand cotton for the embroidery.

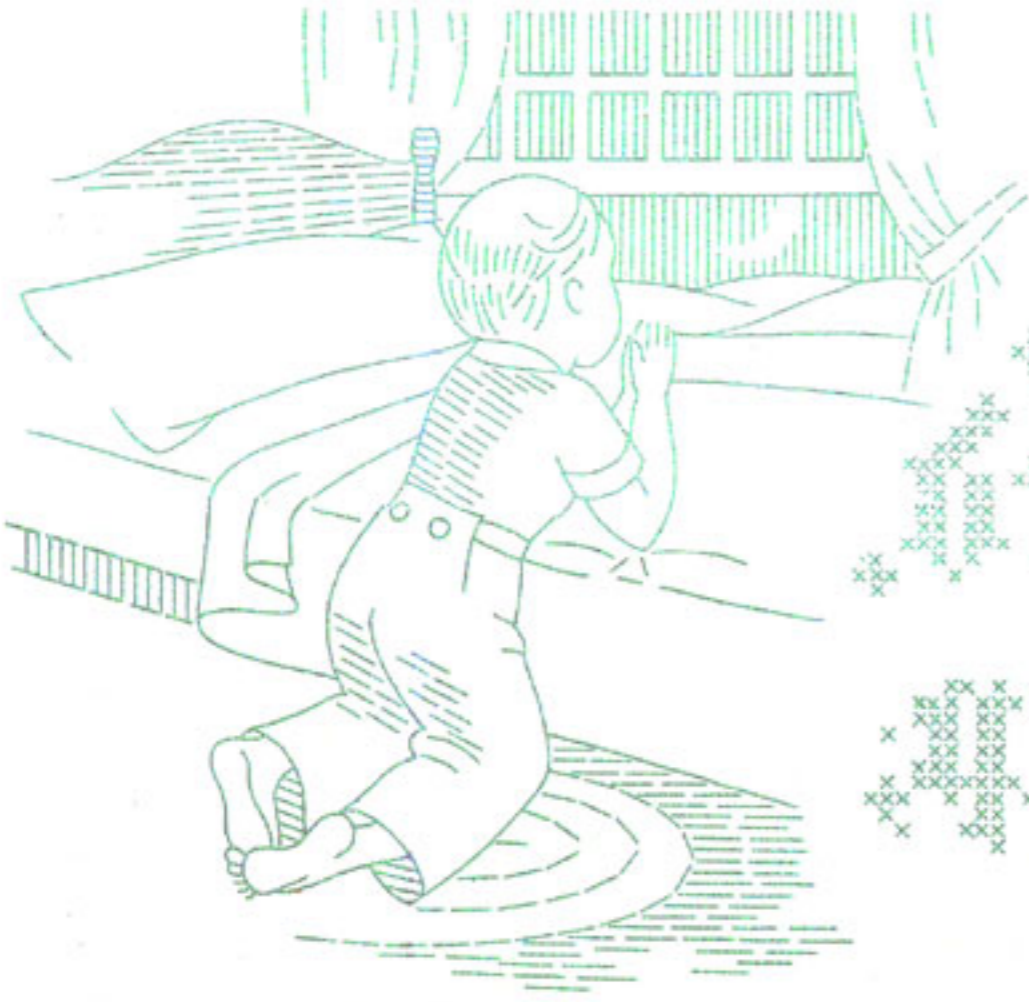

YARDAGE FOR PANEL: 5/8 yard 18 inch material. 15 1/2 x 19 1/2 inch narrow frame (inside measurements). Cardboard to fit frame loosely. Embroidery thread in each color to be used.

STAMPING DIRECTIONS: Cut the material 18 x 22 inches. Lay the material on an ironing board or other padded surface and place panel printed side down in center of material. Pin or baste panel securely in place. Press over it with a moderately hot iron after having tested its heat on the trial motif.

EMBROIDERY: Follow Color Chart and Key and work crosses, cross stitch; single lines, outline stitch; short single lines, single stitch; fill in lines drawn double and dots with satin stitch; broken lines, running stitch.

FRAMING PANEL: The material allows about one inch on each edge for turning over on back of cardboard. Finish embroidery and press on wrong side. Stretch material over cardboard. Edges may be glued to back of cardboard or they may be held by sewing back and forth from one edge to the opposite one. After the panel has been stretched, place in frame. Use small nails to hold it in place and cover the back of frame with paper.
